

THE EPIPHANY SCHOOL OF CHARLOTTE SUMMER CAMP

THE EPIPHANY SCHOOL
OF CHARLOTTE

THE LEARNING SHOULDN'T END JUST BECAUSE SCHOOL'S OUT.

At Epiphany, we believe effective communication and social emotional skills are critical to an individual's success and well-being both in and out of the classroom.

Research confirms this belief that social and emotional learning enhances academic achievement and overall well-being, whereas the failure to achieve competence in these areas can lead to a variety of personal, social, and academic difficulties.

Our Friend and Feelings™ camp is fun, interactive, multi-sensory and meaningful. Techniques used include role-playing, games, activities, video, pictures, diagrams, building projects, social stories, and discussion to facilitate learning and practice.
